

ORANGE COUNTY MUSIC EDUCATORS ASSOCIATION

Mini-Grant Program

OCMEA is pleased to announce that we are continuing to offer the Mini-Grant program for the 2019-2020 school year. The Mini-Grant Program has been established to provide an opportunity for financial assistance to county music programs. It is the vision of the Grant Committee that these funds be used to support instructional enrichment opportunities and not supplement equipment items normally found on a school budget. The Committee encourages creativity and even collaboration between school districts.

Please complete and return by December 15, 2019 to:

Michelle Di Pasquale, Chairperson
