## WHY TEACH MUSIC IN OUR SCHOOLS?

### MUSIC IS...

... a science, mathematical, a foreign language, history, physical education, language arts, business, and technology.

### MUSIC IS TAUGHT IN SCHOOLS...

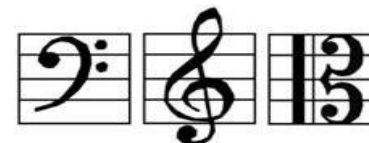

... not because one is expected to major in music, not because one is expected to perform all through life, not so one can relax, and not so one can have fun, but: So one will be human, so one will recognize beauty, so one will be sensitive, so one will be closer to an infinite beyond this world, so one will have more love, more compassion, more gentleness, more good, in short: MORE LIFE.

OF WHAT VALUE WILL IT BE TO MAKE A PROSPEROUS LIVING UNLESS YOU KNOW HOW TO LIVE?

Perform music and meet new friends at the  
*12<sup>th</sup> Annual O.C.M.E.A.*

## *Summer Music Institute*

## ***OCMEA ELEMENTARY CHORUS A CONDUCTOR***

**Erica Feldman** has been a music educator for over 40 years. She earned a Bachelor's Degree in Elementary Education from the State University College at Cortland and went on to earn her Master's Degree in Music Education at Long Island University. Mrs. Feldman was employed by the Monroe-Woodbury School District for over 20 years where she taught general and vocal music on the elementary and middle school levels. Her fifth grade select chorus was often invited to perform at schools in Westchester and Rockland Counties and recorded a CD with the children's singer/song writer, Red Grammer. She developed a music and movement program for toddlers and parents that she performed in libraries and nursery schools throughout the tri-state area. In addition, Mrs. Feldman had a cable television program about music that was viewed throughout Westchester County. Mrs. Feldman has conducted Elementary All-County Festivals in Rockland, Sullivan and Orange Counties. She is a vocal adjudicator and has conducted many workshops for music educators. Now retired, Mrs. Feldman still conducts pre-school music and movement programs for children and parents. She is a "snow-bird" who resides both in Rockland County and Boynton Beach, Florida with her husband, Dr. Joel Feldman, a retired elementary principal. To quote Mrs. Feldman, "I find great joy in working with children, helping them reach their potential in blending their magical voices together in song".
